A non-refundable application fee of \$574.88, is payable to the Jewish Community Council of Montreal.

Please note: The MK mark is a registered trademark belonging to the Jewish Community Council of Montreal. Unauthorized use of this mark is a violation of trademark rules. Our rights are fully protected in this regard. The MK mark may not appear on any packaging, samples, flyers, advertisements, etc. until a written contract has been entered into between the company and the Jewish Community Council of Montreal. All information of this application will be treated as confidential, and none of the information therein will be divulged to any person, partnership, association, and corporation. This application does not indicate any commitment upon the part of the applicant or of the Jewish Community Council of Montreal in any way until a contract has been signed by both parties.

APPLICATION FOR KOSHER CERTIFICATION

Thank you for your request for Kosher certification.

In order to process your application, there is a non-refundable application fee of \$500.00 plus \$25.00 G.S.T. and \$44.63 Q.S.T. A cheque in the total amount of \$569.63, should be made payable to the Jewish Community Council of Montreal.

A complete list of all products and the respective ingredients and raw material used in their production and processing, detailing names and addresses of suppliers and manufacturers, must be submitted to us, for which purpose we are enclosing an ingredient form. The Jewish Community Council/Vaad Ha'ier is not interested in the formulation, but only in the materials per se and naturally this information is treated as highly confidential.

Products, ingredients or raw materials from both local and overseas suppliers should be accompanied for by Kosher Certificates from authorized Rabbinate where available. Should any of the contents not meet with kosher approval, we will endeavor to advise you of alternatives. When these have been approved, an inspection of your plant will be carried out.

Please also submit a full floor plan for your plant.

Prior to the issuing of Kosher Certification, an agreement must be signed by both parties to formalize arrangements, copy of which will be forwarded to you.

We would like to also draw to your attention that in terms of the agreement, the  Kosher symbol must be included in your packaging material. This makes for clear identification for the Kosher consumer and it is specifically advantageous to the export market.

Once an agreement has been signed, the Jewish Community Council of Montreal/Vaad Ha'ier will charge an annual fee to cover inspection as well as publicity in our yearly Kashrut Guide, as well as Kashrut maintenance and updating.

Should your company obtain Kosher certification from the Jewish Community Council of Montreal, you will be required to submit all of your ingredients through our online digitalkosher program.

We look forward to hearing from you soon, and at all times will endeavour to assist you should you require any additional information.

Yours truly,

Rabbi Saul Emanuel
Executive Director
